NEWS FROM THE NORFOLK LIBRARY

The **Norfolk Library** is planning a wonderful Summer Reading Series called **Tails to Tales**, which will kick off with a **PET PARADE** on June 11th on the Village Green. On Mondays, for 7 weeks we will have, to name a few, a horse visit, art workshops, wild animal programs and an 11 year old bird enthusiast share her passion. Please stay tuned for the **Summer Reading Challenge 2021**.

Please join the Pageturners! This is not your typical book club and the book *Wolf Hollow* by Lauren Wolk is amazing. A couple of years ago, one of the parents called me to say that her child didn't read much but when we started reading *Wolf Hollow* she would stay up late enjoying it. The child told me later that the Pageturners was one of the best things she did that year!

I stay in touch as we read and as it gets closer to the end of the book, we decide a good time for everyone to meet. It's flexible! Hope to see you.

3 WAYS TO PARTICIPATE IN THE TOWN OF NORFOLK'S AFFORDABLE HOUSING PLAN PROCESS

1. **Attend our Tuesday, June 1st Community Forum about the Housing Plan** at 7pm via Zoom. [CLICK HERE to register](#) to attend this forum and hear more about why we are developing a housing plan and what types of housing Norfolk needs.
2. **Take the survey:** The Norfolk Housing Plan Steering Committee has received 57 responses to the resident housing needs survey. They'd love to hear from every household. If you have not already please take the **5 minute online survey** by [clicking here \(www.surveymonkey.com/r/HousingNORFOLK\)](http://www.surveymonkey.com/r/HousingNORFOLK) today!
3. **Read the [FAQ's about Town Housing Plans here](#)** and get some of your questions answered. Then come hear more on June 1st! Hope to see you then!

PRINCIPAL'S CORNER

Our energy is focused on making the end of this school year a continued success for our students. We are excited about the upcoming events that celebrate their hard work and accomplishments. At the same time, we are beginning to plan for the 2021-22 school year. One way we do that is by getting feedback from families about how we are doing. Please consider taking the time to respond to our parent survey. We value your input and use your feedback to set goals for the next school year. Check your email and text messages for a link to the survey. You can also find one [here](#). So far 15 out of 54 families have responded. Please complete one survey per family. We hope to hear from everyone!

We also are preparing for some staffing changes for the 2021-22 school year. Mrs. Asselin and Mr. Snyder will continue to teach the upper intermediate students (6th and 5th grades), as they have this year. Ms. Coughlin will teach the intermediate students (multiage grades 3 and 4), Mrs. McCleary will teach the primary students (multiage grades 1 and 2), and Mrs. Tallon will teach early primary students (multiage grades PK and K). We are sad to say goodbye to Ms. Montagna, but we wish her all the best in her new endeavors in Region 1 where she will teach a multiage grade K-2 class beginning next year.

Enjoy the long weekend!
