AGENDA ITEMS:

1. October meeting minutes are approved.

3. Refer to the Health and Wellness policy for guidance and discuss
 - a. How often we are required to meet. We have reviewed the policies and will meet Jan, Mar, & May for this year. Next year would be Sept, Nov, Jan, Mar, & May. The committee will meet at 8:45am on the first Wednesday of the month.
 - b. What goals to have for the next three year period of time. Will start in January on goals & assessments. There may be a survey. L. Valentino will find it to ensure we are forming data-driven goals. K. Dillard will also review the CT statues as well in order to make recommendations.
 - c. When to have the yearly compliance review. We will perform the yearly review in May so that any changes can be approved for the next Academic year.
4. Receive COVID updates for the month.

Procedural update from L. Valentino: when the weather is 50 or higher tables will be set outside the cafeteria to reduce student exposure. Although it now meets state protocols, with rising cases we are working to reduce occupancy.

We do have only 2 distance learners right now, so 99% of learners are in the building. No staff or students are positive. The Health office is seeing regular cases, but actually less cases of cold & flu.

Staff are working to address the RULER plans and reach out more to parents.

Meeting adjourned at 9:03.
